**PETITIONING THE COURT****To issue a warrant.**

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number      Nature of Noncompliance

- 1      **Standard Condition # 6:** The defendant shall notify the probation officer at least ten days prior to any change in residence or employment.

**Supporting Evidence:** Mr. Kelly reported to the U.S. Probation Office on January 9, 2012, and indicated he had moved from his approved residence at a local Oxford House, into the home of a female he had met 2 weeks prior. According to Mr. Kelly, the female he moved in with had a prior felony conviction for controlled substances.

Mr. Kelly provided this officer with the name, address, and phone number of this individual and a criminal records check was conducted. The criminal records check revealed the aforementioned criminal convictions, therefore, Mr. Kelly was denied approval of this residence.

Mr. Kelly had an appointment later that day with Spokane Mental Health to look for housing alternatives. Contact with Spokane Mental Health reveals that Mr. Kelly has met with them and they are working on alternative housing for him, as well as adjusting his medication due to his decreased mental health status.
